

L'Hospitalet de Llobregat (Barcelona), December 17th 2017

To whom it may concern:

I would like to recommend the student **Margaux VIGIE** as a candidate for an internship position in your organization. Margaux is a student in the **Degree in Physiotherapy** since September 2015. Throughout her time with our organization, she demonstrated critical skills that would make her an excellent trainee at your institution.

She has excellent written and verbal communication skills in English (the official teaching language of the Degree), French (her native language) and Spanish (she has been living in Barcelona for the last three years); she is extremely organized, can work independently, and is able to effectively multi-task to ensure that all clinical projects are completed in a timely manner. Her technical skills in Physical Therapy, as well as her approach to patients with different conditions have been absolutely fulfilling across different subjects and clinical fields.

I wholeheartedly recommend her for any endeavor she chooses to pursue. Please let me know if you have any further questions.

Sincerely,

Mariano Gacto-Sánchez
